

Fundraiser 2012 Batting Cage Project

Strawberry Recreation District has received several requests to install new batting cages. Dedicated to improving services to the community, SRD is raising funds in an effort to reach this goal. New batting cages will feature post frames, industrial nets, new concrete foundations, batting cage mats, L-screens, portable pitching mounds, and more!

All donations will be specifically allocated to the Batting Cage Project.
The level of funds raised will determine if 1 or 2 cages are built.

Project Phases

Phase 1 - replace existing cage w. concrete foundation & post system

Phase 2 - create 2nd cage

Phase 3 - cage accessories

Phase 4 - enclose the cages in chain link

- Please fill out a donation form, include check or credit card payments made out to SRD. Please note "Batting Cage Project" on your payment.
- SRD will provide tax deduction receipts.

To donate to the SRD 2012 Batting Cage Project

Drop-off or mail-in to:
SRD Batting Cage Project
118 E. Strawberry Drive
Mill Valley, CA 94941
