

FUNDRAISER

2010 Batting Cage Project WE NEED YOUR HELP!

Strawberry Recreation District has received several requests to install new batting cages. Dedicated to improving services to the community, SRD is raising funds in an effort to reach this goal. New batting cages will feature post frames, industrial nets, new graded and packed surfaces, batting cage mats, L-screens, portable pitching mounds, and more!

- All donations will be specifically allocated to the Batting Cage Project.
- The level of funds raised will determine if 1 or 2 cages are built.
 - Phase 1 - replace existing cage
 - Phase 2 - create 2nd cage
 - Phase 3 - cage accessories
 - Phase 4- practice field
- Additional funds raised will go to the creation of a “practice field area” and reinvested into the SRD field.

Please fill out a donation slip, include check or credit card payments made out to SRD.

Please note “Batting Cage Project” on your payment.

SRD will provide tax deduction receipts.

To donate to the SRD 2010 Batting Cage Project
