**Saturday, October 5th, 2019**  
**4:30 - 7:30 PM**

Join SRD for an evening of old-fashioned, family fun and games. This electronic free event will feature Game Academy's improv, interactive story activities. Game Academy activities give children the opportunity to create a persona for a character and participate in interactive story telling with a group of other characters.

Additional activities include Bingo, Charades, Pictionary, Taboo, Trivia table, Scattergories, Apples to Apples, a prize wheel and more. All games are designed for many players at one time. Jump house, face painting and a raffle available. Raffle prizes include one week of Camp Strawberry, 4 SRD private lessons and more.

Come for the games and even stay for dinner. Food will feature Sourdough Story Pizza, desserts, popcorn and beverages.
